Programs

When Opportunity Knocks - *Open the Door!*

Did you ever notice that what you resist persists? Life is about cycles of change; there is no security, surety, or certainty. Learning to positively react to, live with, and ultimately take advantage of change has become a valuable skill, not only at work but in all parts of our lives. This program gives you tremendous insight into disruptive emotions and impulses that make you feel out of control and helpless. You will receive the tools and strategies needed to raise your performance. If you would like to reap the rewards of learning how to dance with change, you won't want to miss this powerful keynote.

Don't Be an Executive Statistic - *Developing Relationship Intelligence*

Cecilia is on fire with her experiences, insights and understandings of the inner workings of executives. She has walked with and helped executives navigate the rocky terrains and land mines of the ever-changing business landscape. She knows – How they think, How they behave, How they hold on – the Good, the Bad and the Ugly. Leaders must have the head/heart combination that drives innovation, performance and growth. Statistics show that executives need to rethink their strategy if they want to succeed in 2012.

Change Your Attitude - *Fall in Love with Your Job Again*

The American Workplace Survey, recently conducted by the NY based Adecco Group, found 66% of workers are not satisfied with their compensation, and 76% are unhappy with future career growth. Even if you've lost "That Lovin' Feeling" at work, it doesn't mean you have to divorce your job. Cecilia Rose shows you how to put your head and your heart back into your work. She can get your endorphins dancin' as you find and recreate the love you once had. You will rediscover, rekindle, and revitalize what attracted, motivated and excited you on that first day of work.

The Art of Possibility - *Unleashing Your Inner Leader*

In today's market place it's critical that leaders are prepared to meet the difficult challenges of a global economy and business world. Today's leader sets a clear vision, aligns it with the company vision, and guides their team to greater performance and profit. Cecilia Rose knows what it means to employees, stakeholders and customers to have firm faith in those who lead the way. In this session you will discover why leading by example not only delivers results but increases productivity. You will learn what it takes to move forward and Unleash Your Inner-Leader – the leader you were meant to be.
